Packaging machines and systems

MEDIA STEEL IT

DESCRIPTION

The **minipack®-torre** range of modular, semiautomatic angular machines is completed by **MEDIA STEEL IT**, with its distinctive monoblock structure. The shrinking tunnel, with adjustable temperature height and speed is incorporated with the sealing unit: this solution renders the machine more compact and versatile. The **STEEL IT** paint makes the **MEDIA STEEL IT** highly humidity-resistant and strongly suitable for food or pharmaceutical packaging.

minipack@-torre S.p.A.

Sede legale - Via Provinciale, 54 - 24044 DALMINE (BG) Italy

P.IVA - C.F.: 01633550163 - Capitale sociale 619.200,00 i.v. - Reg. Imprese di Bergamo 01633550163 - REA n. 224151

MEDIA STEEL IT retains all the high profile technological features: the sealing time is electronically regulated and Teflon coated blades ensure that no fumes are generated. The “on board” equipment leaves nothing to be desired either: the sealing bar and motor driven waste winder are fitted as standard.

MEDIA STEEL IT a packaging machine for companies that think big!

TECHNICAL FEATURES

Alimentazione elettrica	V	208/230/380
Fase	ph	3
Potenza MAX installata	kW	5.7
